FOR IMMEDIATE RELEASE

EPISODE XI STUDIOS GRABS HAMMER AND NAILS
Staff Member Volunteers With Habitat For Humanity and Golfers in Transition

Randy Davis, CEO of Episode XI Studios, assists Habitat for Humanity (HFH), in partnership with Golfers in Transition (GIT) in erecting the walls to a four-bedroom home in North Charlotte, NC.

Both non-profit organizations serve different functions in assisting those in need. HFH is a nonprofit, ecumenical Christian housing ministry and seeks to eliminate poverty housing and homelessness from the world, and to make decent shelter a matter of conscience and action. GIT is a networking group for job seekers who gather not only during HFH functions, but also gather on the golf links of Charlotte, in an attempt to build relationships between job seekers and recruiters. The Charlotte chapter of GIT is organized by Gary Burgess (Gary.L.Burgess@gmail.com) and has been active in several Habitat Homes.

Episode XI Studios, LLC is a marketing company focusing on video production, event planning and corporate photography. The company believes in going well beyond a camera and a tripod, by using camera cranes and dollies. The end result isn't a video production, but a Hollywood-style production...and all for the small to mid-sized companies.
