BUSINESS MENTALITY SERIES ASSISTS ENTREPRENEURES
Charlotte Based Episode 11 Studios helps spread the word

Full-service video production company, Episode XI Studios, LLC is chosen to promote the latest in business mentality to Charlotte and surrounding area business owners. The finished video is used through email and Internet marketing, and showcases some of the areas business leaders.

Jeff Harmon, owner of TFL Worldwide, LLC (www.tflworldwide.net), helps the entrepreneurial community by *teaching financial leadership* (TFL). The training series (Business Owner Mentality) teaches not only tax and financial planning, but also the model of human behavior, time management, and leadership.

Striving to create a positive reputation through outstanding customer service, efficient networking, and community involvement, Episode 11 Studios creates an alluring atmosphere for both internal and external customers. Founder and CEO, Randy Davis, states: "we endeavor to be known as a nationally recognized leader in the industry."

Episode 11 Studios, LLC is located in Charlotte, NC, and believes in going well beyond a camera and a tripod, by using camera cranes and dollies-a shooting style that sets you apart from your competition. The end result isn't a video production, but a Hollywood-style production...and all for the small to mid-sized companies.
