FOR IMMEDIATE RELEASE

**EPISODE XI STUDIOS CREATES PRODUCTION FOR INN
The Bed and Bike Inn updates website using video**

Full service video production company, Episode XI Studios, LLC is chosen to produce a video of the Bed & Bike (www.bedandbikeinn.com). The video will highlight the many accommodations on the property, and will also highlight the areas pottery makers, wineries, hiking, and bike trails.

The finished production will be used as part of online marketing, as well as trade show viewing, and DVD distribution.

Episode XI Studios, LLC is a marketing company focusing on video production, event planning and corporate photography. The company believes in going well beyond a camera and a tripod, by using camera cranes and dollies. The end result isn't a video production, but a Hollywood production...and all for the small to mid-sized companies.
