FOR IMMEDIATE RELEASE

**LONG TIME PROFESSIONAL SPEAKER GIVES FREE ADVICE
Episode XI (11) Studios Helps Ty Boyd Get Message Delivered Through Video**

Full-service video production company, Episode XI Studios, LLC, located in Charlotte, NC teams up with Ty Boyd, to produce video message, distributed worldwide. Ty's advice is extremely power and yet simplistic. "Fire your purpose with passion", advises Ty. This is the one, most important thing that you can use to "power up" your personal communication skills.

Ty Boyd began his business life as a broadcaster and became an in-demand talent both on and off the air; he made it his responsibility to touch every one of his customers (viewers and listeners) in person. It was in touching his customers in this manner that Ty realized how powerful these skills could be for others. Boyd emerged as broadcaster, professional speaker, and a teacher/coach of executive communications.

2008 marks the 28th year for Ty Boyd Executive Learning Systems (TBELS) (<http://www.tyboyd.com>). What began as a single assignment, has grown to be a dynamic learning and development organization in Charlotte, NC. It started when Rick Dyer (Apple Computer) and Tom Carpenter (Aetna Insurance) both asked Ty to teach their executives to better communicate with their customers. He was soon to realize that "with focused learning, we all can learn to communicate more effectively with our customers...often dramatically."

Episode 11 Studios, LLC is located in Charlotte, NC, and believes in going well beyond a camera and a tripod, by using camera cranes and dollies-a shooting style that sets you apart from your competition. The end result isn't a video production, but a Hollywood-style production...and all for the small to mid-sized companies.
